

The way to the best holiday

The activity and events brochure Åland Guide is the world's finest guidebook to the Åland summer in 2009. Discover also our event brochures that give you quick and easy information on the major summer events.

The brochures can be downloaded as pdf-files at visitaland.com or they can be ordered from info@visitaland.com

CRAZY GOLF FOR THE ENTIRE FAMILY

This summer you can play minigolf in the middle of Mariehamn on the brand new 18-hole course in the Eastern Harbour, within a stone's throw from the town centre.

Ångbåtsbryggans Äventyrsgolf is a modern crazy golf course with artificial lawns and exciting barriers. The two nine-hole courses also comply with the Minigolf Open Standard (MOS) by World Minigolf Sport Federation (WMF).

ACTIVITIES ROLL INTO THE NEXT

Åland is the perfect destination for sampling experiences. In the archipelago, out in the countryside and in the town centre there is an abundance of things to do and see. A good starting point is a visit to Ytspanning outdoor activity centre on Lilla

Holmen in Mariehamn. The centre has a huge selection of Åland's outdoor and adrenalin activities – from paddling to climbing, water sports, diving and boat trips. Here you can rent or buy equipment, book courses and guided tours.

LET THE KIDS HAVE THEIR WAY

In Eckerö you will find Åland's answer to the African Savannah. Join the Wild Safari and meet the deer and wild boar at close quarters. Almost next door lies the Åland Hunting & Fishing Museum where you can dig for pearls, cast tin models and explore an abundance of exciting exhibits. www.visitaland.com/se/viltsafari och www.visitaland.com/jaktfiskemuseum
